Adding a Course and Viewing Items in Ares

PLEASE NOTE: If you are off-campus, you need to log in through the VPN to access library licensed e-Journals, research databases, and e-resources. Please go to http://www.uflib.ufl.edu/login/vpn.html for more information.

1. To log in to Ares, go to https://ares.uflib.ufl.edu. You will be redirected to log in with your GatorLink account. First time users will have to fill out a user registration form, then will be redirected to the Ares main menu.

On the left-side of the screen, under Student Tools, click on Search Courses.
2. Use the dropdown menu to search by instructor and choose your instructor’s name. Click on the Go button.
3. Under Courses, you should see your course listed. Click the + sign to add the course to your Ares account.
4. You will be redirected to the main menu. Click on the course to open the course page.
5. On this page, you should see the list of reserve items. Click on the item you would like to view.
6. On the Reserve Item screen, click on the link that says “View this item” to view the material in electronic format. To obtain Hard Copy reserve items, please write down the citation (particularly the title), bring it to the Information Desk on the first floor of the Health Science Center Library, and the HSCL staff will assist you.
